REASONS FOR ALLOWANCE

1. This Office Action is responsive to the Amendment filed on 12/03/2004.
2. Claims 1-32 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding to independent claims 1, 9, 17 and 25, none of prior art of record teaches or suggests a method and associated system wherein the method/system comprises procedures/devices of modulating a first data packet using a first modulation scheme; modulating a second data packet using a second modulation scheme overlaying said first data packet; transmitting said first data packet overlaid with said second data packet over said communications channel; determining whether said first data packet was received by monitoring using said first modulation scheme for an acknowledgment for said first data packet before expiration of a timeout period, and determining whether said second data packet was received by monitoring said first modulation scheme for an acknowledgment for said second data packet before expiration of said timeout period, as recited in the claims, in combinations with procedure/device of repeating all of the steps outlined above, if acknowledgments were received for both said first and said second data packets, as recited in claims 1 and 17, or with procedure/device of repeating all of the steps outlined above, if no acknowledgment was received for said second data packet prior to expiration of said timeout period, as recited in claims 9 and 25.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
